

MARK YOUR CALENDAR.....

Don't Delay!!!!

Washington State Ground Water Association
LEGISLATIVE DAY ON THE HILL
Thursday, February 16, 2012

Join your fellow industry professionals in advocating ground water issues that are impacting "People's Right to Water". Our state Legislators need your ready guidance to effectively navigate Washington's rural water concerns. Without our industry's input.....our legislators can become quickly confused and lost in the fast paced blizzard of decision-making that occurs each year during the Legislative Session in Olympia.

Building relationships with each of your District Legislators provides a valuable Communication avenue for your legislators to receive important input and perspective from a ground water industry professional who really knows his/her trade. Come help inform your District Legislators or buddy-up with other attendees.

You.....are a valuable resource to our industry!
You.....can make an impact at the "Day On The Hill"!
You....can help make a difference in your Future!

It is up to you! Get Involved!!!!
